The difficulties between the officials of the Central Vermont railroad and the men employed as section hands by that road has been satisfactorily adjusted and practically all of the men have gone back to work, assuming their regular positions Saturday morning, and the remainder will today, it is understood. The men were getting but understood. The men were getting but \$1.25 per day for their services and struck for \$1.50 per day. The com-pany could not see that figure, but of-fered the section hands \$1.40 per day. The men remained firm and refused to go back to work. The men received notice late Friday evening that their demands of \$1.50 per day had been granted and accordingly the men went back to work, having won their point. The pay they now receive is little enough and they deserved the increase which they sought and won. Quite a number of men living in this city and vicinity are affected by the new wage scale and there is new a feeling of harmony that has not been in evidence

It was rather cool for comfort at a baseball game Saturday, but in spite of this fact there was a farge number from Danielson at the opening game in Dayville between the Tri-Village team and the Andems of North Grosvenordale. The new arrangement makes it better for both players and spectators.

Allen, sent in by Tri-Village as a safe one, Brocks following with another. Buckley, next up, hit for two bases, scoring Allen and Brooks, winning the game.

The game was a see-saw affair, and exciting all the way. The attendance was made up of Dayville, Williams-ville, Attawaugan, Ballouville and Danielson, The Attawaugan company sent down a party of recters in their big auto truck, which was gayly decorated for the occasion. The score:

JEWETT CITY 9, PUTNAM 4. Result of Opening League Game on Saturday Afternoon - Better Luck Next Time!

Jewett City 2. Putham 7, was the way the dumerals on the sourchaged figured up after the first game of the Eastern Connecticut league had been finished in this city Suturday aftermoan and the fans were sad. Everybody likes to win the opener, you know. But that was simply the opener. The oppressed feeling has already gone, like the black boomotive smoke that occasionally drifted over the field during the game, and the fans are getting satisfaction out of the thought that Putham still has a heavy hitting team that will fast wear off the rough edges and go out ind get 'em. Marion, Labelle and Tatro, the heavy artillery of the squad, are still there with the crack that wins games, as they amply demonstrated on their first appearance of the season.

But as to the game. It was not the greatest contest ever, athough it was

greatest contest ever, athough it was very interesting to watch. Jewett City, went right after their old place—as becomes league champions right at the start—scoring three rams in the opening inning and another in the second.
This put a crimp in the enthusiasm of the total fans, but Putnam came back strong, sending three men around the circuit in their half of the second and

three more in the fourth, giving the lead of two runs, as the visitors were being held safe up to that point. Putnam's rune in the fourth were the net result of three of the prettiest two base hits ever swatted across a diamond. Marion, Tatro and Labelle bowing in acknowledgment to the applause of this nice little rotation act.

Jewett City got a going again in the fifth, when they scored two and tied up the score, and there was no more doing in the run getting line until the seventh, when Putnam got one and the lead. Both sides were blanked in the eighth, and it looked like a Putnam victory when the ninth opened. Here the champions fell on Paul's shoots like rain on the just and the unjust and with the errors that aided in the crushing happening over came three runs, the lead and the game—all for Jewett City.

Paul and Gero were the opposing pitchers. The former looks like a comer and will surely make good if he can only gain control over his tendency to pitch high balls. This is not a joke. Gero, although hit hard at times, is a strong pitcher. He struck out ten Putnam men, Paul getting twelve in the same manner, making twenty-two strikeouts for the game.

each hit for three bases.

And, lastly—brief mention of the natty new uniforms of the league leaders—dark green, with orange mono-grams, the stockings green and white. They certainly did look well. The score:

Auto Trip from Windham.

Dr. P. Guild of Windham and Mr. dom and kindness have reclaimed many a poor fellow who had started on the wrong read. Besides the daughter, Mrs. Walker, with whom he is residing he has a son, Nathan, in Akron, Ohio: a brother, Albert, \$3 years old, in Willimantic, and a daughter, Mrs. Mary Edson, in Providence. Mr. Morse has always taken a keen interest in the affairs of his native town, and for years was one of its foremost oitizens. He has always been found on the side of reighteousness and truth and his life is well worthy of emulation.

For several years he made his he in Putnam and was for a time with his son in Ohio. He is enjoying good beaith and displays remarkable vigor of mind and body.

Prospect of Good Ball Team. It seems probable that Stafford will have a baseball team composed of all ffaye a baseball team composed of all local players, with the possible exception of a battery, and that it will be represented in the league in which Monson, Indian, Orchard and other old time fivals are interested. There is considerable local baseball timber which peeds a little working up among the Athletics. Shattuck, who played a few games with the Stafford leam, is now working in town, and if a team is placed in the field be will probably be manager. It is thought that by having all local ulayers, with the possible exception of a pitcher and catcher, it will not be difficult to support a team.

Aime Paul Disobeyed Father and Was Drowned-Wakefield Defeated Opening Game-W. C. T. U. to Dispense Hospitality.

Saturday morning, about 10.30 o'clock, Aime Paul, only child of Mr. and Mrs. Aime Paul, while playing with two other boys on some rafters in the cove west of Industrial place, lost his balance and was drowned, his body being found by the Burridge boys, who, with the assistance of Dr. C. F. Congdon and Dr. W. H. Gray, did all they could to revive the boy, but to no awail. The family has lived here but a short time, moving here from Mapleville, R. I. Both parents are at work in Nimigret mills. The boy, who was ten years old, had been cautioned by his father not to go near the water. The boy was a bright puthe water. Wakefield Defeated. It was a great day for a balt game Saturday, the Myssic feam defeating Wakefield 5 to 0. A large crowd was present. The work of the Mystic team was fine. Mosgan in the box was more than was expected of him, the Wakefield team only making two him off him. McGrath as ecacher on third was a little hasty and caused two bad errors to be made and lost two runs. The Wakafield team outsield was a little weak and caused some had plays to be made. In the sixth inning they changed pitchers from R. Lingo to Tafet, which did not seem to better it much. Donahue of Westerly acted as umpere and his decisions were law. Pollowing is the lineup:

Two Great Fortunes.

Wall street was surprised last wask to learn that the estate of the late Henry H. Rogers, of Standard Oil and Amalgamated Copper fame, was about \$24,000,000, instead of \$100,000,000, more who piled it up in the most daring and highhanded fashion. It is now the be-lief of "the street" that Mr. Rogers lost, many millions in the financial stress of 1907.

Almost at the same time the final statement of the administrators of the estate of the late Marshall Field was made public on Chicago. It showed that he left about \$59,000,000, as nearly as such values are ever determined for court purposes.
